There is a growing interest in teaching languages to young children. This publication brings together papers from 18 countries. It gives a cross section of major achievements and problem areas as well as an insight into research issues.

J Rogers

Research suggests an

Bookmark File

PDF An Early

start is the key to a successful intervention for children diagnosed with an autism spectrum disorder. What many don't know is that research also shows that for most early intervention programs to be effective, they must involve a child's primary caregivers, especially when it comes to such an all-pervasive area as

Bookmark File

PDF An Early

communication. This book does not advocate that parents steer clear of therapists and specialists.

Instead, it attempts to put more control in the parents' hands. Without adding to parents'

already busy schedules, Teresa Cardon, a speech language pathologist and author of best-selling

Let's Talk Emotions (see page 33), discusses the

Bookmark File
