An eagerly awaited collection of stories dealing with domestic abuse, edited by the New York Times bestselling author Zane. Breaking the Cycle is a stunning and moving anthology of stories, each of which focuses on an aspect of domestic abuse. This powerful collection is sure to serve as a wake-up call for people either dealing with a domestic abuse situation, or those watching someone else endure it. In the title story, Zane describes the turmoil that a young girl suffers at the hands of her stepfather. The girl and her mother plan their escape, but at the last minute the mother falters. In D.V. Bernard's "The Lonely Echoes of My Youth," readers are introduced to a young boy raising himself on the fringes of a drug-infested neighborhood. Nane Quartay's provocative story, "The Grindstone," describes a boy who witnesses a brutal murder which will have far-reaching effects on him and his family. Tracy Price-Thompson weaves a powerful tale in "The Stranger" when a woman constantly abused by her husband finds inner strength after a brutal attack. Collen Dixon's "The Break of Dawn" will keep readers deep in thought long after they finish reading her story about a young desperate mother terrified that her own daughter will grow up and become victimized herself. Dywane D. Birch's "Victory Begins With Me" reflects how one woman has to struggle to get her life back to normal. Shonda Cheekes' "Silent Suffering" flips the script when a man finds himself abused by the female in his life. Newcomer J.L. Woodson's "God Does Answer Prayers" deals with a young boy fighting for his life in a hospital bed, put there by one of the people who is supposed to love him the most: a parent. These stories capture the dangerous realities of domestic abuse, while also pointing toward the steps that need to be taken to break the cycle that perpetuates it. It is sure to serve as a rallying cry for all those who desire victory over their own victimization, and a guide for understanding the complex undercurrents that make such patterns possible.

In the sequel to *Beneath the Bruises*, this searing novel explores the effects of secondhand domestic violence on children. *Silent Cry* is the story of K'wan Taylor, the now fourteen-year-old son of Syreeta and Randall Taylor from *Beneath the Bruises*, who withstood his father's sporadic outbursts and berating tirades by wishing, praying, and hoping his father would disappear. Feeling helpless and hopeless, K'wan spent most of his young life burdened with the pressure of believing he had to protect his mother from his father's abuse, but not knowing how. K'wan makes his way to a residential treatment facility for adolescent males, where he begins, slowly, to heal his wounds. It is in his silence that he shares insights and relives painful memories of growing up in a home of violence, revealing his anger toward his father that spiraled into a deep hatred and consumed most of his thoughts. *Silent Cry* is a compelling, thoughtful look at how children, particularly boys, are shaped by domestic violence.

Men and women test the limits of love and devotion in this sexy and suspenseful first novel, which evokes the emotional honesty and moral complexity of real life. Newcomer Shonda Cheekes makes her contemporary debut in a hip, wonderfully wise story about letting go and moving on. When Yani Fenton married Jarrin Miller, she thought it would last forever. But five years ago, her husband of fifteen years walked out on his family without a backward glance. Since then, Yani and her two children have played a waiting game, certain that he is coming back. Now, with the help of her friends and her sister Asia, Yani is finally over her "love hangover" and ready to get on with her life. At a party, she meets Alex Chance, a prominent New York businessman who's looking for a relationship with a woman who isn't out for everything she can get. Their powerful attraction leads to a whirlwind courtship and a fairy-tale like wedding. But their happy ending is threatened by Jarrin's sudden reappearance, which forces Yani to face the truth about her marriage -- and the life-altering choice she will have to make as another man's wife. With generous helpings of affection, humor, and romantic suspense, Shonda Cheekes has created a story that crackles with wit and the riffs and rhythms of modern life. Alternating between the first-person outlooks of Yani and Alex, *Another Man's Wife* captivates readers with a sassy tale of brothers and sisters on the move and searching for love and fulfillment. Imbued with the author's fresh, unique voice, it is a provocative and seductive look at relationships in the twenty-first century.

A REESE'S BOOK CLUB PICK * INSTANT NEW YORK TIMES BESTSELLER * BELLETRIST BOOK CLUB PICK * INDIE NEXT SELECTION * LIBRARY READS SELECTION * AMAZON EDITORS' CHOICE * WASHINGTON POST BEST OF THE YEAR The "terrifying, wise, tender, and thrilling" (R.O. Kwon) adventure story of a fugitive girl, a mysterious gang of robbers, and their dangerous mission to transform the Wild West. In the year of our Lord 1894, I became an outlaw. The day of her wedding, 17 year old Ada's life looks good; she loves her husband, and she loves working as an apprentice to her mother, a respected midwife. But after a year of marriage and no pregnancy, in a town where barren women are routinely hanged as witches, her survival depends on leaving behind everything she knows. She joins up with the notorious Hole in the Wall Gang, a band of outlaws led by a preacher-turned-robber known to all as the Kid. Charismatic, grandiose, and mercurial, the Kid is determined to create a safe haven for outcast women. But to make this dream a reality, the Gang hatches a treacherous plan that may get them all killed. And Ada must decide whether she's willing to risk her life for the possibility of a new kind of future for them all. Featuring an irresistibly no-nonsense, courageous, and determined heroine, *Outlawed* dusts off the myth of the old West and reignites the glimmering promise of the frontier with an entirely new set of feminist stakes. Anna North has crafted a pulse-racing, page-turning saga about the search for hope in the wake of death, and for truth in a climate of small-mindedness and fear.

Anyone who has struggled with sex addiction knows that living with constant sexual compulsions can be extremely difficult. But summoning the courage to find help for this condition can be even more of a challenge. If addictions to pornography, strip clubs, massage parlors, prostitutes, phone sex, or chat rooms have made you feel trapped, this book can help you find a way to break free. Written by a former sex addict who specializes in counseling people who suffer from sexually compulsive behavior, *Breaking the Cycle* presents a step-by-step plan to enjoying a life of productivity and purpose. You can free yourself from the powerful, compulsive urges that may have damaged your career, finances, or relationships with friends and family. The exercises in this book will show you how to regain control of your life and build meaningful intimate connections with others.

From a young author who has lived through what he writes about, *Superwoman's Child* is an eye-opening novel chronicling one teenage son's struggle with his trouble-filled life. Growing up the only male in a house full of women is no easy task. Sometimes the women can be "as sweet as pie," while other days they turn into something he wouldn't dare say out loud. So is the life of Sean Morris, a teenager with an absent father and troubles many would recognize. Even though his father's been practically missing in action for a while, Sean still wonders if his father will ever be there for him, especially now, when he needs him most. Will Sean be able to handle new challenges without a male role model? Or will he come to terms with the fact that the only people he needs in his life are the ones who actually love him -- the "superwomen" who are already there? Sure to resonate with parents and teenagers alike, *Superwoman's Child* is by turns humorous and heart wrenching -- a revealing story of the determined perseverance of one son and the unwavering encouragement of his mother.

For both Zane and Darby, their small town roots hold a terrible secret. Now, decades later, they've come together to build a new life. But will the past set them free or pull them under? Zane Bigelow grew up in a beautiful, perfectly kept house in North Carolina's Blue Ridge Mountains. Strangers and even Zane's own aunt across the lake see his parents as a successful surgeon and his stylish wife, making appearances at their children's ballet recitals and baseball games. Only Zane and his sister know the truth, until one brutal night finally reveals cracks in the facade, and Zane escapes for college without a thought of looking back... Years later, Zane returns to his hometown determined to reconnect with the place and people that mean so much to him, despite the painful memories. As he resumes life in the colorful town, he meets a gifted landscape artist named Darby, who is on the run from ghosts of her own. Together they will have to teach each other what it means to face the past, and stand up for the ones they love.

Sometimes the most enviable life is really a private hell. On the surface, Sarah Jenkins appears to have it all: a handsome, wealthy and successful husband, a precocious five-year-old daughter, and a beautiful home in an affluent Seattle neighborhood. Her quirky best friend and fellow high school teacher, Maggie, marvels at her luck—and envies her happiness. But Sarah is far from happy. She feels empty and on edge, harangued by a critical inner voice—and as the truth about her marriage and details of her past emerge, her “perfect” life begins to crumble. But just when it seems all is lost, a long forgotten, unopened letter changes everything, and with the support of friends, Sarah begins to rebuild her life. Can she quiet the critical voice in her head and learn to value herself instead?

Disturbingly sexy and devilishly delicious, *Man Swappers* explores the taboo topic of women openly sharing other women's men. A titillating story of sibling rivalry gone haywire, will thrill readers to a whole new level of satisfaction. Bombshell sisters Porsha, Persia, and Paris do everything together. They work hard, travel far, and are always on the prowl for their next relationship. Getting attention from attractive men has never been a problem for these vixens. But there's a catch: you date one sister, you date them all. So what happens when two of the sisters secretly break the rules to get one of the men all to themselves? And what happens when they find out it's the same man?

Shonda Cheeke's hip and provocative follow-up to the critically acclaimed *Another Man's Wife* welcomes readers back into the world of Yani and Alex Chance and the ever popular Asia Fenton as they strive to stay strong in the face of tough choices, unexpected complications, and the sweet joys and bitter lows of love. Asia Fenton is finally on the road to her happily ever after. Her new relationship with the handsome Detective Johnny Johnson is everything the good doctor ordered after a failed attempt to reconcile with her former fiancé, who had a pregnant girlfriend he forgot to tell her about. When the sounds of the wedding bells become overwhelming, her new neighbor and former fiancé step in to change the tempo of the dance. Yani and Alex Chance have weathered one test of their love, but there's more in store. The second family of Yani's estranged husband, Jarrin, turns up in the New York city, in hopes of making family connection. Through her reluctance, Yani decides to make an effort for the children's sake. When tragedy strikes, Yani and Alex are faced with a heartfelt decision which causes a wedge to be drawn between them. As Asia struggles with the inevitable choice she must make, and Yani and Alex work to straighten out the growing conflict threatening their happiness, the devastation of September 11th rocks New York City -- and strikes close to home in a way no one could have expected. In the *Midst of It All* is a gripping, moving novel that invokes every emotion as Shonda Cheeke's compelling characters deal with the task of recovering, rebuilding, and moving into the future with hope and love.
