Freedom From Fear explores how the nation agonized over its role in World War II, how it fought the war, why the United States won, and why the consequences of victory were sometimes sweet, sometimes ironic. In a compelling narrative, Kennedy analyzes the determinants of American strategy, the painful choices faced by commanders and statesmen, and the agonies inflicted on the millions of ordinary Americans who were compelled to swallow their fears and face battle as best they could.

Freedom From Fear: The American People in Depression and War, 1929-1945 By David M. Kennedy Between 1929 and 1945, two great travails were visited upon the American people: the Great Depression and World War II. Freedom from Fear tells the story of how Americans endured, and eventually prevailed, in the face of those unprecedented calamities.

Freedom From Fear: The American People in Depression and ...
Into our third decade of the 21st century, Americans are coming to understand and appreciate Freedom from Fear from a different perspective than when the phrase was introduced by Franklin Roosevelt in his State of the Union address in 1941 . At the time, Europe was engaged in a war that would soon escalate and involve the entire civilized world. In giving Freedom from Fear an iconic image in 1943, the painter Norman Rockwell shows a couple tucking their children into bed. their faces full of ...

Books & Reading: Book Reviews — The Washington Post
Freedom from Fear 03/13/2020 By American Anglican Council The Dutch Christian writer and Holocaust survivor, Corrie Ten Boom, said, “Worrying is carrying tomorrow’s load with today’s strength - carrying two days at once. Worrying doesn’t empty tomorrow of its sorrow, it empties today of its strength.”
