INSTANT NEW YORK TIMES BESTSELLER "My Body offers a lucid examination of the mirrors in which its author has seen herself, and her indoctrination into the cult of beauty as defined by powerful men. In its more transcendent passages . . . the author steps beyond the reach of any 'Pygmalion' and becomes a more dangerous kind of beautiful. She becomes a kind of god in her own right: an artist." —Melissa Febos, The New York Times Book Review A "MOST ANTICIPATED" AND "BEST OF FALL 2021" BOOK FOR * VOGUE * TIME * ESQUIRE * PEOPLE * USA TODAY * CHICAGO TRIBUNE * LOS ANGELES TIMES * SHONDALAND * ALMA * THRILLEST * NYLON * FORTUNE A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. My Body is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the gray area between consent and abuse. Nuanced, fierce, and incisive, My Body marks the debut of a writer brimming with courage and intelligence.

THE NEW YORK TIMES BESTSELLER A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time. _____ 'This is the book for every woman trying to place their body on the map of consumption vs control, and every woman who wants to better understand her impulses. It left me much changed' - Lena Dunham 'I read these pages, breathless with recognition, and the thrill of reading a new voice telling it like it is' - Dani Shapiro 'Emily Ratajkowski's first essay collection needs to be read by everyone [...] both page-turning and moving as hell' - Amy Schumer 'A slow, complicated indictment of a profession and the people who propel it [...] it will deliver a more nuanced and introspective rendering of her interior than those who come to it with those surface interests might expect' - Vogue 'Dazzling' - Observer 'Ratajkowski brings nuanced insight to questions about empowerment versus commodification of women's bodies and sexuality. Blending cultural criticism and personal stories, My Body is smart and powerful' - Time Magazine 'Raw, nuanced and beautifully written. Acclaimed book, now in English and Spanish, helps adults teach children about abuse, getting help, and how to set boundaries to stay safe. Without being taught about body boundaries, a child may be too young to understand when abuse is happening—or that it's wrong. Now available in a bilingual English-Spanish edition, *My Body Belongs to Me /Mi cuerpo me pertenece* offers a tool parents, teachers, and counselors can use to sensitively share and discuss the topic of sexual abuse. Through simple language and colorful illustrations, this straightforward, gentle book guides young children to understand that their private parts belong to them alone. The overriding message is that if someone touches your private parts, tell your mom, your dad, your teacher, or another safe adult. In a country where, according to estimates from the CDC, one in four girls and one in six boys will be sexually abused before age eighteen, this book is an essential abuse-prevention resource to help children feel, be, and stay safe. Using her experience working as a New York City prosecutor of child abuse and sex crimes, Jill Starishevsky has crafted a book that addresses body boundaries in a way that kids can understand and that doesn't seem scary or heavy-handed. Includes, in both English and Spanish, a letter to adults at the beginning and a section in the back with suggestions and resources for discussing the book with children.
