Scots law (Scottish Gaelic: Lagh na h-Alba) is the legal system of Scotland. It is a hybrid or mixed legal system containing civil law and common law elements, that traces its roots to a number of different historical sources. Together with English law and Northern Irish law, it is one of the three legal systems of the United Kingdom.

Scotland has its own independent and in parts clearly different judicial system with own jurisdiction. The law of Scotland is not a pure Common Law system, but a mixed system. Historically, partly the Scottish law stood originally even more in the tradition and under the influence of the Roman-judicial stamped continental law, and only since the 19th century the influence of the law "South of the Border" has strongly asserted itself.

This text provides a refreshing new approach to the study of the Scottish legal system. It covers not only the central aspects of the system, such as the courts and the legal profession, but also the border areas with constitutional law and jurisprudence. It reflects upon contemporary questions as to the way in which the legal system is moving, with particular emphasis on the increasing effect of EC law.
